The Nebraska Chapter of the
International Association of Electrical Inspectors

Announces its 56th Annual Conference
October 30 & 31st, 2008

KEARNEY HOLIDAY INN Kearney, Nebraska

(The Kearney Holiday Inn is on the north west
corner of the Kearney I-80 interchange)

WESTERN SECTION

IMPORTANT NOTES:

If you have a code question you'd like answered at the meeting, please write it down and send it prior to October 1st to:

Ray Paulson, NE IAEI Secretary
2321 So. 13th Street
Lincoln, NE 68502
rpaulson@neb.rr.com

Twelve (12) contact hours of continuing education as required by the State Electrical Act for license renewal will be presented to those who attend ALL of the program presentations. National CEUs WILL be awarded.

Space is not a problem at the Holiday Inn of Kearney, therefore, we are not limited to how many applicants may attend.

However, please pre-register so we have an idea of how many rooms to block, how much food to order, etc.

This year's program includes:

J. Phillip Simmons brings to us "2008 Changes to the National Electrical Code". Phil has been chairman of the NFPA Electrical Section, a member of NEC CMP-1 and 17, acting chairman of NEC CMP-5, and a chairman of NEC CMP-19. He can tell you how an idea becomes code language!

Robert Clements will be giving sage advice regarding: 'After you have your contractors license, can you run a profitable business?' Mr. Clements comes to us from "E-Myth" in Des Moines Iowa and can be found on the web at: www.e-mythiowa.com.

Renewable energy is in the foreground since fuel is such a burden, we will present information on wind and photovoltaic generation methods. Also we will have a detailed presentation of AFCI's facts and myths.

Skip Morris will once again host an informative trade show to get 'hands on' technical advice regarding new products and tools of the trade.

There will be a \$1000.00 scholarship offered for members that sign up a new member. The scholarship will be determined by a drawing at the Chapter Meeting and will be paid to the post secondary school upon registration of the student named by the member.

Please visit the Kearney Visitors Bureau website www.visitkearney.org for a listing of all of Kearney's attractions, restaurants, events and much more. Kearney also offers a variety of transportation services. See www.flykearney for more information.
